

The Data Behind **Exceptional** Digital Experiences

THE BENEFITS OF DIGITAL TRANSFORMATION ARE CLEAR:

But the road to success isn't.

If you've **struggled with digital transformation**, you're not alone.

HERE'S WHAT ORGS LIKE YOURS ARE EXPERIENCING:

Over **90%** face business and technological **obstacles**.

Most notably:

- A RESISTANCE TO CHANGE
- INCREASED TECHNOLOGICAL COMPLEXITY
- SLOW TIME-TO-MARKET

Difficulty providing a unified customer experience across all channels and platforms.

In fact, **only 20%** rate themselves as **"Very Good"** at delivering a seamless digital experience.

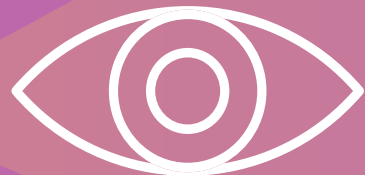

90% feel they lack insight into their customers' digital experiences.

Not surprisingly,

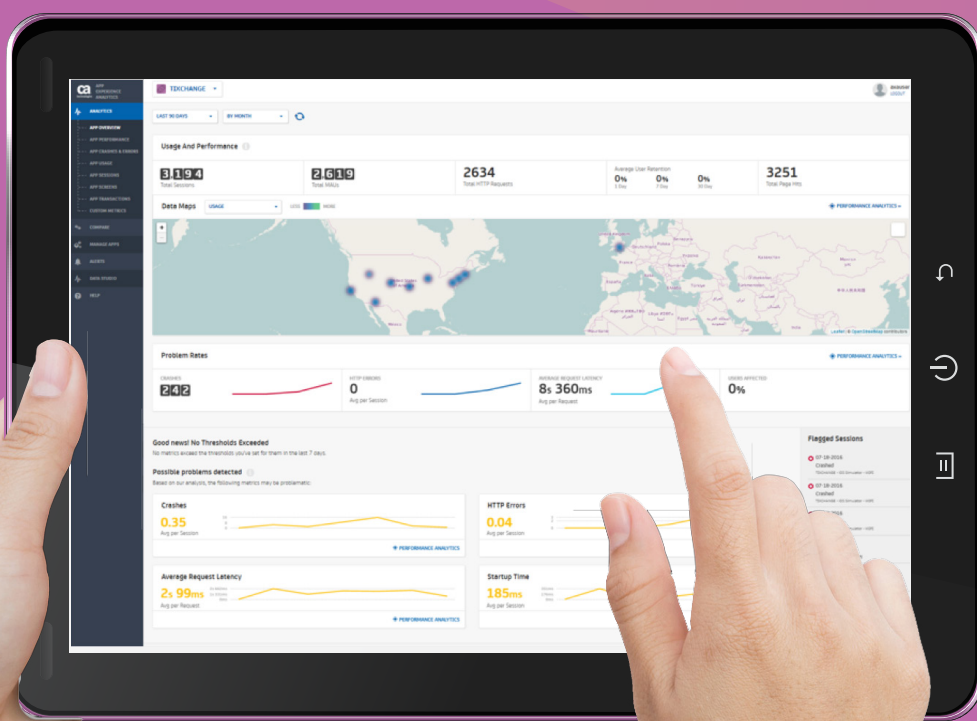

93% believe they **could improve** the way they measure the customer experience across digital channels. **Could you?**

GREAT USER EXPERIENCES REQUIRE **GREATER INSIGHT**

CA App Experience Analytics provides proactive, real-time insights into real user behavior, buyer trends and omnichannel performance.

SO YOU CAN:

- Improve** digital performance with breakthrough visibility
