

CA PPM 15.3: New User Experience - Collaboration 200

Course Overview

Project confidence is mission critical in today's application economy. The New User Experience (New UX) for CA Project and Portfolio Manager 15.3 (CA PPM 15.3) provides you with a convenient, simple, and easy-to-use interface for CA PPM.

This course is designed for all project team members, and offers training on the collaboration components of the application. Knowing how to work with these components enables your team members to configure the application in line with their individual preferences and needs. Your team members can assemble and organize pertinent project data so that they can work more efficiently in the application, increasing overall productivity.

PRODUCT RELEASE

CA PPM 15.3

COURSE TYPE, LENGTH & CODE

- Web Based Training (WBT)
- One half (1/2) hour
- Course Code: 33CLR25580

What You Will Learn

- Log in and navigate the New UX interface
- Customize the application to better manage and organize work
